5.4.6 Scoring the Software Solution Cost

Vendor proposed Software Solution cost will be allocated a maximum score of 75 points. The State will consider both Implementation and subsequent six year license and maintenance costs, **(Note that this does not coincide with the Initial Contract Term and that Paid maintenance does not begin until UAT acceptance after the Warranty Period.)** provided in Tables F-1: *Activities/Deliverables/Milestones Pricing Worksheet*, F-5: *Software Licensing, Maintenance, and Support Pricing Worksheet* and, F-5: *Web Site Hosting, Maintenance, and Support Pricing Worksheet* or F-6: *Equipment Procurement Pricing Worksheet*. Cost information required in a Proposal is intended to provide a sound basis for comparing costs.

ORIGINALLY READ:

A-2.2 Future Systems Environment

Future design and development efforts should conform to the emerging environment as defined by current information technology initiatives, the New Hampshire Statewide Strategic Information Technology Plan, and the State's e-Government Architecture Plan.

This environment is end user centric, utilizing the Internet and Web whenever possible, promoting electronic transactions, and centralized common services (security, e-payment, content search), where possible.

H-25.14.1 Termination for Default

Any one or more of the following acts or omissions of the Vendor shall constitute an event of default hereunder ("Event of Default")

- a. Failure to perform the Services satisfactorily or on schedule;
- b. Failure to submit any report required; and/or
- c. to perform any other covenant, term, or condition of the Contract

Upon the occurrence of any Event of Default, the State may take any one or more, or all, of the following actions:

..... e) Procure Services that are the subject of the Contract from another source. The Vendor shall be liable for reimbursing the State for the replacement Services, and all administrative costs directly related to the replacement of the Contract and procuring the Services from another source, such as costs of competitive bidding, mailing, advertising, applicable fees, charges or penalties, and staff time costs; all of which shall be subject to the limitations of liability set forth in the Contract.
